LIVE-AUCTION NOTES

Details on all Live Auction items are listed in the auction List found in this program. Auction Merchandise will be on display in the Live Auction area surrounding the podium. If you require further info on an item or hunt, please inquire at the auctioneer's podium before the auction gets underway or if present, see the donor at their booth.

Different hunts include or specify different things such as meals, lodging, transportation, weapon type (rifle bow, etc.), available dates etc. Please read all descriptions carefully and ask any questions you have. As a general rule licenses are not included. Some hunts may also have a VAT or GST tax. All stated auction values listed in the description are set by the respective donors. Extras such as license fees unless otherwise stated are in U.S. dollars.

If you buy a hunt at our auction that the donor fails to provide for you, through no fault of our own, we will make arrangements for a replacement hunt or we will issue you a credit. If you simply find it inconvenient to go on the dates specified, or change your mind for some other reason, then it is to be negotiated between you and the donor/outfitter.

SCI Detroit does its best to solicit donated hunts only from competent outfitters. However, we do not guarantee the quality or success of any hunt purchased at this auction. All of this said, it is important to note that hunts bought at our auction generally go well, with both the donor and buyer being well satisfied.

Any and all modifications and/or amendments made between the purchaser, and/or those acting on his/her behalf, and the outfitter, whether before or after the purchase of an auction item, from that described in the auction description, are deemed to be new contracts between the above parties and not Safari Club International - Detroit Chapter. If there are any issues or concerns regarding the outfitters ability or willingness to fulfill his obligation as advertised in the auction description, it is the purchaser's duty, to immediately notify, in writing, the Board of Directors of Safari Club International - Detroit Chapter of said issues or concerns, in order for the board to address the same. Should the purchaser choose to proceed, absent providing proper notification, it is presumed that the purchaser is completely satisfied. Any and all hunting, fishing, memberships, tours or events purchased at the Detroit Chapter SCI are not transferable by the purchaser to any other person, persons or organizations and must be utilized by the purchaser. SCI Detroit reserves the right to modify, alter or change the contents or conditions for any or all live auction items. By bidding, the bidders agree to these conditions and hold harmless the SCI Detroit Chapter.

Upgrading your hunt, while not required, is certainly appreciated by our donors. If you do not want to add another animal, consider bringing along a friend. This really helps out these outfitters and hunting companies that are trying to help us! With few exceptions, these donors are not wealthy individuals, but rather they donate to help wildlife, ensure the future of our sport, and generate new business for themselves. Please do what you can to help out.

As usual, an auction item goes to the highest bidder. Even though "spotters" are located around the room, **it is the bidder's responsibility to make their bid noticed, so don't be shy!** Feel free to speak up, stand up, or wave to get the auctioneer's attention. If a final bid for the same amount is taken from two people, the bidding is closed to everyone else except those two people.

All signatures on auction invoices are binding. Please make sure that any changes or additions to the printed description of an item that takes place during the actual auction are recorded on the auction invoice before you sign and pay for it.

All auction sales must be finalized by the end of the night. To finalize the sale, the auction runner can take your payment, or you can go to the cashier's booth located next to the auction podium. Cash, checks, VISA, Master Card, and American Express are accepted. You may pick up your auction merchandise in the Live Auction area with your validated receipt.

On-line bids are being accepted this year. There will be a buyer's premium added to the amount of the winning bid. This goes to the on-line Auction company. The buyer's premium is 5% of sale price up to a maximum of \$250.

Also, please report the results of your hunt on the form included.

SILENT AUCTION NOTES

There are many items to choose from on the SCI Detroit Chapter Silent Auction Tables. Rules for the Silent Auction are as follows:

Each auction bid form will have a dollar amount increment stated that each bidder must follow. Normal increments will be \$5.00, \$10.00 or \$20.00. SCI reserves the right to disqualify any bidder not following these listed increments.

Each bid must be written on the next line below the previous bid and must include first and last name of the bidder.

All bidding will be closed at the times specified within the Auction Program. Intentionally blocking access to bid sheets at any time is prohibited.

If two or more bidders are in a bidding war when the silent auction is announced closed, they will be allowed to continue bidding for a short amount of time, which will be determined by the Silent Auction Coordinator. Successful bidders must pick up their paperwork at the Silent Auction table and then proceed to the cashier to pay for their items next to the live auction stage. Then they may return to the Silent Auction table to claim their items. Acceptable forms of payment include cash, checks, VISA, MasterCard, and American Express.

FIREARMS TRANSFERS

Transfers of firearms are the responsibility of the purchasers and raffle winners. The purchaser or winner of any firearm must see a representative at the Gun table before leaving the banquet. Firearm winners will complete the required transfers, have them approved, and make arrangements to pick up the gun, likely at the Double Action facility. Handgun winners must acquire a purchase permit before transfer.

Any raffle winner who cannot obtain an FBI NICS approval, or obtain a Michigan pistol purchase permit, will be refunded only the purchase price of winning raffle ticket.

There are also plenty of diving duck species: ring bill, lesser scaup, golden eye, etc. We also hunt local grain fields. The Kapuskasing upland areas with mixed forests of pine, birch and aspen are perfect habitat for excellent numbers of roughed grouse, as well as sharp tail and spruce grouse. Expect 7 to 10 flushes an hour on average. License and permit costs (\$150) are the responsibility of the hunter and can be purchased locally. The auction purchaser is encouraged to bring additional hunters along to enjoy and share this great experience. The cost for additional hunters is \$2,000 each, and non-hunters are welcome at \$1,000 each. Groups up to 10 can be accommodated. Hunt may be upgraded to include black bear for \$500.
