Developed in partnership with Remington Ammunition, Henry Repeating Arms is proud to be the first to market rifles chambered for the new **.360 Buckhammer** straight-walled cartridge that is legal for deer hunting in southern Michigan and other states with shotgun only restrictions. Optimized for lever guns, accurate out to 200 yards with more energy, higher velocity, and flatter trajectory than the competition, .360 Buckhammer is taking the crown as the new king of the deer woods. Our friends at Mag-na-port customized the rifle by mirror polishing and jewelizing the bolt, magazine tube window, and lever. In addition, the stock has been custom engraved with the SCI First for Hunters logo.
